## **Writers of the Enlightenment**

## **Directions:**

Research each of the following enlightenment writers/thinkers. Define the quote in your own words. Then determine their governmental views and how they applied then and now. Then determine their philosophical world view (or state of nature/ human nature argument).

| Thomas Hobbes  | John Locke   | <u>Montesqueiu</u>                  |  |
|--|--|-------------------------------------|--|
| Without governments, there would be "warof every man against every man." | All, mankindbeing all equal and independent, no one ought to harm another in his life, health, liberty or possessions. | "Power should be a check to power." |  |
| Meaning:   | Meaning:   | Meaning:                            |  |
|  |  |                                     |  |
| Governmental Views:  | Governmental Views:  | Governmental Views:                 |  |
| Then:  | Then:  | Then:                               |  |
|  |  |                                     |  |
| Now:   | Now:   | Now:                                |  |
| Philosophical Worldview:   | Philosophical Worldview:   | Philosophical Worldview:            |  |
|  |  |                                     |  |
|  |  |                                     |  |
|  |  |                                     |  |

## Thomas Hobbes and John Locke Views on Government

## **Writers of the Enlightenment**

| <u>Voltaire</u>  | <u>Rousseau</u>                                     | Mary Wollstonecraft                                 |  |  |
|--|---|---|--|--|
| "It is difficult to free fools from the chains they revere." | "Man is born free, and everywhere he is in chains." | "I do not wish them [women] to have power over men; |  |  |
| Meaning:   | Meaning:  | but over themselves."                               |  |  |
