

## Instructions for Completing Online Assignments

Dates: 3/23 through 3/24/2020

Steps:

1. Locate the following PowerPoint, *The Gunpowder Empires*, under Honors World History unit 5 PowerPoints. Review the PowerPoint. I suggest that you take notes.
2. Once you have taken notes please find the file labeled Mughal Gallery Walk. Review the material in this file. As you read each station take notes. Try to extract three facts from each station as well as one thing you found interesting.
3. Once you have reviewed The Gunpowder Empires PowerPoint and the Mughal Gallery walk create a comparison chart. Compare and contrast the three Islamic Empires using your notes and the gallery walk. If you need additional resources, you can find them in your textbook or you can find crash course videos on YouTube on this topic. You can use the chart that has been pre-formatted for you (found under unit 5 handouts), or you can create any style comparison chart you like.
4. Once you have completed the comparison chart locate the following two PowerPoints under unit 5 handouts, *Ming and Early Qing Dynasties* and *Japans Reunification and first Challenge*. Review the PowerPoints. I suggest that you take notes.
5. Once you have reviewed all of the material then complete a quiz to check your understanding of the material. You can find the quiz by going to the following link:
